ACKNOWLEDGEMENTS

This thesis report was prepared as a partial fulfillment of the MBS programme of Tribhuvan University. The research project involves conceptualizing, working, implementing and writing up a report, which extends knowledge in the subject area under investment. This assignment thus aims to develop knowledge, skills and attitudes necessary for conducting of individual research at a level, which will make a distinct contribution of knowledge of the student. Therefore, I am thankful to Tribhuvan University to make this assignment as a compulsory part of the MBS programme. Similarly, I am indebted to every person who has helped me in any way to conduct my work and to prepare this thesis report.

I have great pleasures to express my heartiest gratitude and sincere thanks to my Thesis Supervisor Mr. Prakash Shrestha, Lecturer of Nepal Commerce Campus, who had guided me throughout this research. I shall ever remain in debited to him for his valuable direction, useful suggestions and comments during the course of preparing this thesis. I am also thankful to Dr. Sushil Bhakta Mathema, Head of Research Department, Nepal Commerce Campus for his supports.

Last, but not the least, I would like to thank all the respondents who have helped me to provide valuable information about their perception towards share market, without whom the research work might not have been possible.
