ACKNOWLEDGEMENTS

My indebtedness and gratitude goes to the many individuals, who have assisted to shape this thesis in the present form, cannot be adequately conveyed in a few sentences. First of all, my gratitude goes to all the teachers and staffs of the Nepal Commerce Campus, T.U., whose sound theoretical knowledge provided me the basis for the preparation of the thesis.

In the same way, I would like to extend my propound gratitude to Dr. Sushil Bhakta Mathema, Head of Research Department Management, for granting me an opportunity to carry out this research.

I am indebted to all respondents for providing necessary data, information and congenial environment for preparing this thesis.

At last but not least, I express my sincere gratefulness to my parents for their continuous support to complete this research work. I am also thankful to them for their support in each and every steps of life. My every achievement has been possible because of their effort, help and blesses.
