ACKNOWLEDGEMENTS

It is my great pleasure to take this opportunity to express my deep sense of appreciation to my thesis supervisor **Prof. Dr. Sohan Kumar Karna**, of the Central Department of Economics, University Campus, Kirtipur, Tribhuvan University for his most effective and clear guidance, encouragement and constructive suggestions throughout my work. Similarly, I am also grateful to **Prof. Dr. Kushum Shakya, Head of the Central Department of Economics** for her valuable suggestions and guidance. I also feel privileged to express my gratitude to all the Faculty members of Central Department of Economics for their gracious response and suggestions to my queries.

I would like to thank all the non-teaching staff members of Central Department of Economics and all the staff members of Central library T.U Kirtipur, for the help they extended to me during this thesis in several ways.

I am equally indebted to Mr. Yadav Bahadur Khapung, Chairman of Menchhyam Village Body and Mr. Pradip Kumar Budhathoki, ward chairman of ward no. 6 and other executive members and personnel of Village Body who have facilitated and helped me in data collections and sampling of households. Thanks are also due to all respondents and their families who provided necessary information by answering all my questions in the interview.

I gratefully acknowledge my deep indebtedness to my parents and my wife for their kind support and motivation which proves to be a great value when the matter for accomplishment of this work arises.

Last but not the least; I would like to thank my friends for their continuous supports, inspirations and help.
