ACKNOWLEDGEMENT

Very first I would like to thank Shanker Dev Campus for their overwhelming support to complete my MBS Degree thesis and also helping me through out of my research work. The infrastructures of the campus have played an eminent role to complete this thesis in time. My supervisor Kailash P. Amatya, lecture of Shanker Dev Campus had assisted me throughout the completion of this thesis and therefore I am very much indebted with his contributions. His assistance for this research work has been preferred to be very prudent and I would like to thank from the core of my heart. There have been considerable helping hands from many others personalities of the campus. In this regard, I would like to thank campus Chief Prof. Dr. Kamal Deep Dhakal for having assisted to provide necessary suggestions during my research work.

I am thankful to the librarians of the SDC will always be remembered for their assistance to provide me necessary documents relevant to my thesis. The websites relating to NESPE, related Banks, Ministry of Finance and concern banks has also been very fruitful to complete my study. So, I am also thankful to Nepal Stock Exchange. My family members and my friend have always been kind to all my inquiries to complete my works in time.

I am thankful to Mr. Siddhartha Gautam and Manoj G.C for providing me computer and necessary equipments to make this look productive and comprehensive. Finally, I am indebted to all the associates who had contributed to make this thesis completed.
