A THESIS SUBMITTED TO:

Office of the Dean
Faculty of Management
Tribhuvan University

IN PARTIAL FULFILLMENT OF THE REQUIREMENTS

For the Degree of
Master of Business Studies (MBS)
Dhangadhi, Kailali

ACKNOWLEDGEMENT

First of all, I would like to acknowledge my sincere gratitude to my Supervisor Pro. Dr. Hem Raj Pant Chief of Kailali Multiple Campus, for his precious guidance, supervision and inspiration during the preparation of this thesis. Without his crucial, valuable, support and facilities this study would not come in this thesis.

I also appreciate the assistance of Padam Kanta Joshi and Dr. Padam Raj Joshi who shared their valuable experience with me in completing this study. Special thanks go to Ram Naresh Sharma, the officer and some staffs of District Agriculture Development Office who provided me information and data relating to this study on potato.

Similarly I would like to thanks to all professors and lecturers as well as assistant administrators and librarian of Kailali Multiple Campus who provided me different materials and special thanks to all respondents to complete this research work.

I also would like to express debt at gratitude to family member specially my father-mother, my wife, relatives and friends for the continuous inspiration and assist during the entire period of the study. I would like to thanks Mr. Krishna Subedi of Cyber Sansar, Dhangadhi, for clean computer typing and printing.

This study has been prepared basically for the Master Degree of Business Studies (MBS) program. This research deals with the principle of potato marketing as well as technique involved. Finally, I hope this study may help to provide an insight idea into potato marketing in Nepalese Market to those who venture into this subject.

May,2009
