ACKNOWLEDGEMENT

I am pleased to present this thesis, which could enhance the capabilities of students in the field of research work, for the partial fulfillment of the requirement for the Degree of Master in Business Studies (M.B.S).

I am highly grateful and indebted to my honorable supervisor Dr. Shilu Manandhar Bajracharya, Shanker Dev Campus for her guidance, encouragement and possible help in the smooth conduct of this study. I would also like to thank Professor Bishweshor Man Shrestha, Head of the Research Department, Shanker Dev Campus for his encouragement, inspiration, valuable comments and special guidance on the preparation of this study. Thanks are also due to Tribhuvan University for providing opportunity to conduct this research and the staff of SEBON and NEPSE for providing necessary data and information without which the completion of study could be impossible.

I extend my warm thanks to my family member and my friends for their continuous inspiration and support during the entire period of the study.

Finally I would like to express a warm regard to the entire concerned person who helped and directed me for the successful completion of my Thesis.
