Researcher

Dipak Devkota

Acknowledgement

Accomplishment of beautiful work or task requires crystal hearts, mind, hard, labour, dedication, and commitments. Many helpful hands are needed to complete the work. After the completion of the work immense of the joy can be experienced which I 'm doing this time. I can't be selfish with sole enjoyment. I must share it with all who are equal candidate for the credit.

Of course this research work is obviously not mine exclusive product. I am extremely grateful with all of them who have immensely helped, guided, supervised to complete the work.

First I want to express sincere appreciation to Makwanpur Multiple campus, faculty of management and Tribhuvan University for providing me the opportunity to act upon the topic.

I express my great indebtedness towards reverend thesis supervisor lecturer Mr. Bin Bahadur Rahut and Mr. Jayaram Devkota for their kind and incentive guidance, encouragement and generous treatment to complete this thesis. I owe their great contribution to purpose.

During the time of study I receive a great deal of assistance and assurance from various persons and institutions. I express my deep gratitude to my parents for their continuous motivation, encouragement. I would like to express thanks to manakama photocopy centre hetauda for excellent performance in computer typing and setting. Similarly to all my classmates with whom I spent my wonderful time preparing this dissertation.

Last but not least, I am responsible for any error and I apologize for any of them committed that may have remained in this work.
