ACKNOWLEDGEMENT

As the partial fulfillment of the MBS degree, I have prepared this report. During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

I would like to express cordial gratitude to all my teachers, who taught me up to now. For this dissertation, I would like to extend special thanks to my thesis supervisor Dr. Shyam Katwal and head of research department Prof. Dr. Madhav Bahadur Shrestha. Despite their busy schedule, they have made significant contribution for preparing this thesis. I am extremely indebted by their efforts.

I would also like to express my special gratitude to Mr. Kabindra Regmi for his significant contribution in preparing this thesis. I would also like to thank all other members of Post Graduate College, Biratnagar, especially, staffs from MBS department, library staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis.

I will like to dedicate this thesis to my parents and my family member who supported me to complete my studies from my childhood.
