ACKNOWLEDGMENT

I express my profound gratitude to my respected teacher and thesis supervisor Mr. Uddhab prasad Sapkota, coordinator of Makawanpur Multiple Campus, Hetauda MBS program, for his invaluable comments with continuous guidance and kind support to me all the way in this thesis. I could not forget his valuable involvement during the course of research and preparation of this research study.

I would like to thank my respected teachers Bijaya Kumar Sharma, Bin Bahadur Raut, Jayaram Devkota etc. who inspire, advice and support to me for the completion of this thesis.

I owe an indebtedness to all authors whose writings have provided me the necessary guidance and invaluable materials for enriching my research paper in all possible ways. I am also gratefully indebted to all the staffs of SEBO/N and NEPSE for providing required data and information. Likewise, all the respondents are thankful for their suggestions and responding my questionnaire.

Similarly, I'm thankful to my colleagues Mr. Bahadur Singh Thing, Mr. Sanjaya Mahotra, Mr. Arjun Prasad Chaulagain, Mr. Bibek Bartaula, Mr. Tularam Thapa, Mr. Pralhad Sapkota, Mr. Shukadev Pokhrel, Mr. Gynendra Budhathoki and other for their co-operation, inspiration and encouragement.

Last, let me offer my profound gratitude to my parents Mr. Gopal Prasad Neupane, & Mrs. Ambika Neupane and other family members Mr. Umesh Neupane, Mrs. Indira Neupane, Mr. Eroz Neupane, Mr. Krishna Ghimire, , Mr. Binaya Neupane, and above all my beloved brother Ram Chandra Aryal Michael and my wife Mrs. Gita Neupane for their continuous supports and help without

which this research work would have been impossible. This study is an outcome of their heartily blessings.

Needless to say 'to err is human' and I can't be the exception for any remaining errors in the calculation and the descriptions reported in this thesis are of course, entirely my responsibilities.

Sushil Neupane
