Acknowledgements

This research study “Risk Assets Management in Nepalese Commercial Banks.” Has been carried out in the partial fulfillment of the MBS. This research won’t have been completed by my sole effort; many individuals and institution have contributed in different ways to bring this thesis in this shape.

I would like to extend my sincere gratitude to Prof. Dr. Bihari Binod Pokharel (Head of the Research Department) and Shanker Dhodary (thesis supervisor) for proper advice, guidance and supervision without which this study would not be completed. Their precious time and invaluable suggestions which they provide for me has undoubtedly helped me in completing this research work.

I owe great intellectual debt to college library and librarians as well as lectures of Nepal Commerce Campus and Shanker Dev Campus, staff of MBS department, as well as known and unknown people who supported as well as inspired me to complete this thesis. May next thanks go to all the staffs of the both studied bank for their kind co-operative in providing valuable data and information and those valuable ideas that escorted the research to this level.
