ACKNOWLEDGEMENT

This thesis entitled “**Performance Indicators And Stock Price Behaviour In Nepal (With Reference To Scbnl And Nabil Banks)**” has been prepared in partial fulfillment for the degree of Masters of Business Studies, Faculty of Management, T.U.

It has been a great pleasure for me to complete this thesis under the supervision of **Prof. Dr. Shilu M. Bajracharya** of Shanker Dev Campus for her kind guidance, supervision and inspection.

I would like to express my thanks to librarians of Shanker Dev Campus, TU for providing me with related books and thesis and the entire teacher involved there who made me capable of writing this thesis. I am responsible for whatever weaknesses it may still contain.

Similarly, I would like to offer special thanks to family member and my friends for their proper suggestions. I would like to thank all the staff of the concerned banks for their full support in providing all the necessary data, which helped me in preparing this thesis report. I could not remain without thanking to my teachers and lecturers who all helped me during my study of MBS and during preparation of this thesis report.
