ACKNOWLEDGEMENT

I would like to express my sincere thanks to my dissertation supervisor Mina Devi Uprety, Ph.D for guiding and helping me to write this dissertation. I am grateful to her continuous support and encouragement. My sincere thanks go to Surya Bahadur Danuwar who helped me throughout the field survey and also providing me the data of this study.

I'm indebted to Head of Central Department of Sociology for managing a suitable environment to complete dissertation. I would be incomplete without the support of all respondent and their family members for providing me valuable information related to this study.

I would like to express my sincere thanks to my wife Durga Sapkota and to all my dearest friends who always supported, encouraged and inspired me for the study and thanks to the professors, lectures, associated with masters in Central Department of Sociology, Kirtipur.
