ACKNOWLEDGEMENT

I express my heartiest gratitude to respected supervisors Mr. Bin Bahadur Rawat of Makawanpur Multiple Campus, Makawanpur for their constant encouragement, patience guidance and valuable suggestions at every step of my work despite their busy schedule.

I am sincerely acknowledged to the staffs of Makwanpur Multiple Campus Library, staffs of NEPSE for providing the required data & necessary information for the study. I am also thankful to my friends who helped me directly & indirectly.

I am equally thankful to all those personalities who are directly and indirectly involved conducting this research and are associated with me in different ways for their help, suggestions & encouragement.

Last but not Least, I am also pleased to thank Mr. Ganesh Thapa for their continuous & perfect computer works & shaping the thesis in the present attractive form.
