ACKNOWLEDGEMENT

This Thesis has been prepared as partial requirement for the Master's Degree in Business Studies. I would like to express my sincere gratitude to my supervisor Prof. Snehalata Kafle for her guidance, advice, encouragements and insight throughout the study. I am grateful to my parents for their patience and support from the beginning of my education life. Moreover, I should mention to all those who have been a source of encouragement to complete this thesis. I am highly indebted to my friends, colleagues and teachers at Shanker Dev Campus for their important suggestions and necessary support.

I would like to express my deep gratitude to all my colleagues, staffs of library and administration who helped me directly and indirectly in the course of completion of this thesis.

I would also like to appreciate and thank to my friend, Indra Duwadee for his encouragements & supports besides valuable contributions in this study. At last I would like to express my gratitude to my sisters & whole family members for their cooperation & encouragement in preparing this study.

Advice, Recommendations & suggestions are whole-heartedly welcome. Thanks

.....
