ACKNOWLEDGEMENTS

In the light of utmost importance given by policymakers, academicians, and economist for the study of impacts of public debt in Nepal and its management, I am pleased to submit this thesis on "Public Debt in Nepal" in this present form. The research work tries to throw light on the impact of public debt on economic growth in Nepal.

After many months of hard work and sincere efforts from my side, this research is created. I would like to acknowledge the following notable personalities who have contributed their valuable efforts in different ways in creation of this thesis.

I would like to express my cordial and sincere gratitude to thesis supervisors Associate Professor Mr. Achyut Raj Bhattarai and Mr. Manoj Bhattarai, for their valuable guidance and tireless support and help in preparing this thesis. Without their valuable suggestions, encouragement and supervision, it was beyond imagination to bring this thesis in this form.

I would also like to thank and appreciate the help and support provided by the staff of Nepal Rastra Bank, Ministry of Finance and Central Bureau of Statistic.

Rukmini Shrestha
