ACKNOWLEDGEMENT

This thesis “A Study on short term financing of manufacturing of Nepal with reference to Janak Educational Material Ltd. Pvt.” Has been prepared in the form as required by the Institute of management for the partial fulfillment of the Master’s Degree Level in Business Studies (M.B.S.). I would like to thank Shanker Dev for giving me the opportunity to explore and enhance my knowledge by conducting a thesis on STF of JEMC Pvt. Ltd.

I consider it as prime duty to express sincere gratitude to my thesis advisors Dr. Kamal Das Manandhar for his guidance and valuable suggestions. It is true that without his excellent supervision it would have not been possible to prepare this thesis in this form. I am thankful to him for his support and encouragement, this thesis would not have completed in the present form.

I want to express my sincere gratitude to campus chief and Head of research department of Shanker Dev Campus for their moral support to me. I am thankful for their constant guidance, supervision and motivation for making my thesis successful.

I am very much grateful to all the department heads and other staff of JEMC, who helped me in the completion of this report by providing me valuable information and data. I would like to express my gratitude of the JEMC for positive response towards our queries and for providing me with various required material.

I would also like to thank all the related person who have contributed us by providing time to give us various assistant and information with their learning and knowledge which has been a valuable assets for us for the preparation of my thesis. I think this is also an occasion to express my heartily thanks towards all the member of my family, whose regular inspirations and continuous contribution are secrets of my success.

However, I am alone responsible for any errors and deficiencies that might have crept in.

Shanish Chandra Aryal
