ACKNOWLEDGEMENTS

I would like to forward my earnest gratitude and deep respect to my supervisor **Sneha Lata Kafle** lecture of Shanker Dev Campus for his invaluable advice, encouragement and ample support to achieve my academic pursuit. I also Want to extend my sincere gratitude to Prof. Dr. kamal Deep Dhakal, Head of Research Department and Campus Chief Asso. Prof. Prakash Singh Pradhan of Shanker Dev Campus, T.U. for their valuable suggestion.

I would be unfair if I do not acknowledge the subject matter, concepts, examples, figures, tables and problems that I have consulted from various sources. I therefore owe a deep debt of gratitude to the concerned authors of these different literatures.

The lectures I attended as a student, the various standard textbooks and periodicals, I read have positively influenced my writing and I have taken care to acknowledge them as far as possible.

Perfection is anything can hardly be thought of knowng the universal fact " Human is Error", I Have taken utmost care to avoid errors, but I know they are inescapable, so I shall be obliged if they are forgiven.
