ACKNOWLEDGEMENT

This paper is the outcome of my research, concluding my Master's Degree in Business studies at Shanker Dev Campus, Putalisadak, Kathmandu. Throughout the course I have enjoyed the help of many, both in the campus and outside. I am especially indebted to my thesis supervisor **Mr. Joginder Goet** for their able guidance and continuous supervision to undertake and complete this study. I cannot fully express how grateful I am towards them.

Similarly, I would like to thank the staffs of SICL especially to Mr. Binesh Maskey and Suman Khanal for their kind guidance in order to complete my research. Furthermore, I am thankful to Shanker Dev Campus Library and the staff over there for their cooperation and help in providing the valuable data useful in preparing this report.
