Acknowledgements

I would like to devote this thesis study to my parents who have left me alone to choose sociology and taken total commitment and responsibility. This present study owes much to the scholarly guidance, indispensable suggestion from my respected teacher and supervisor, Madhusudan Subedi Lecturer Central Department of Sociology/Anthropology. No one who loves literature can remain aloof from the touching influence of Prof, Dr.Chaitanya Mishra, Prof Dr. Om Gurung and other respected teacher clearly showed me possible direction to be taken before I chose the thesis topic. I am equally grateful to all of my respected teachers for providing me guidelines to complete this project.

I am very much thankful to my brothers, sisters and friends who helped one in one way or the other in course of this research study. I would like to thank my friends Bhuwan Limbu, Baburam Bhattarai and Tejendra Poudel. Who read my script and suggested me in confusion. At last I would like to thanks Valley institute Kirtipur for providing their valuable help and support.
