## **ACKNOWLEDGEMENT**

I am grateful to my supervisor, Mr Ramaknta Bhatrai, Lecturer, Shanker Dev Campus and Khagendra Ojha for their valuable advice, support and encouragement without which it could have been difficult for me to complete this thesis.

I gratefully acknowledge my thanks to all Mr Ramesh Shrestha and Mr Rabindra Joshi for their valuable guidance, support and suggestions.

It is a commendable task of Tribhuvan University to introduce the research work for the fulfillment of the requirements for the degree of Master of Business Studies (MBS) as a mandatory requirement. It helps to students with modern research techniques and practical experience in real social settings. The knowledge gain through self –investigation and analysis is ever lasting. For this opportunity, I would like to express thanks to the Curriculum Development and Research Center, Tribhuvan University, Kirtipur.

This study entitled “**Financial Performance Analysis of KUMARI Bank Limited**” is prepared for partial fulfillment of the requirement for the Degree of Masters of Business Studies (M.B.S.). It is believed that the findings of the study will contribute by some means to the bank for making aware of the issues in Nepalese banking sectors and will be beneficial to all those parties, policy makers, academicians, shareholders, management, depositors, and general public.

The report is an outcome of the outstanding support from Kumari Bank Limited so I extend my heartfelt gratitude to the staffs of the bank, especially for providing me data and other relevant information for the study purpose.

Lastly, I heartily thank all the library members of Shanker Dev Campus, Central Library, TU, who help me providing required books and thesis, and my family, friends for their support and suggestions during the completion of this study.
