## **ACKNOWLEDGEMENT**

The thesis entitled “**GOVERNMENT SECURITIES IN NEPAL: SYSTEM, PRACTICE AND PROCESS**” submitted to the Office of the Dean, Faculty of Management, Tribhuvan University, The main objectives of the study is trend and structure, ownership pattern and attitude of investors towards government securities in Nepal.

I would like to express my sincere gratitude to people who helped me in carrying out this study. First, I am very much grateful to **Mr. Kiran Thapa** Lecturer, Pashupati Campus who supervised me throughout the study and for his inspiration, supervision, regular guidance and generous help for the preparation of this thesis.

My special thanks go to Mr.Gyanmani Adhikari, Head of Research Department, Pashupati Campus for providing me to do this research.

I am also thankful to all the concerned staff of the Nepal Rastra Bank, Securities Exchange Board, Ministry of Finance, Asian Development Bank and other organizations, who helped me by providing necessary secondary data. I am also thankful to individual who gave their valuable time on my questionnaire survey and helped me to gather primary data.

Similarly, I would like to express debt of gratitude to my family members for their continuous inspiration and support during the entire period of the study. At last but not least I cordially would like to express my gratitude to my friends who directly indirectly assisted me to prepare this thesis.

Moreover, it is needless to say that to err is human and I am also no exception, so I apologize for any errors and mistakes committed in this thesis work
