## **ACKNOWLEDGEMENT**

This research is the outcome of my interest towards Continuity and Changes in Social institutions, Economic activities and Cultural practices .I decided to take the area of Terai region specially Hempur VDC of Sarlahi District .After working together with my teachers and friends now.I am very grateful to all for able to come out with a note worthy result.

First I express my thankfulness to the Yadav people of respondents to the selected area, without them my research wouldn't have been completed.

I am extremely indebted to my research guide dissertation supervisor Dr Surendra Mishra,Central Department of Sociology , Tribhuvan University ,Kirtipur , Kathmandu.His thinking, advices and insights always helped me in my every step of this project.It would have been impossible for me to conduct this research project without his valuable suggestion and guidance. I want to thank Prof. Dr. Tikaram Pandey, head, Central Department of Sociology, and Associate prof. Phadindreshwor Poudel, external examiner who supported me providing various insights during the period of research poject.

My deepest thankfulness goes to my parents Daya Ram Yadav and Mrs Dhan Manti Yadav for their encouragement and support during my work.

I wouldn't forget Mrs Sunita Yadav my wife who helped me throughout my research project with her creative thinking and available during the complete process. Lastly, I would like to thank those people whose names might not have been cited in this page but were always there whenever I looked support.
