ACKNOWLEDGEMENTS

I wish to express my profound gratitude to my thesis supervisor Dr. Puspa Raj Sharma PhD, Head of the faculty of Management, Research, Prithivi Narayan Campus, Pokhara, for his invaluable guidance for making the research work. His constant inspiration and support has resulted in the completion of this work.

I am very much grateful to members of Western Regional Library, Pokhara for providing me the material that has, indeed, helped to complete this thesis on time. And I am much obliged to all the staffs of Nepal SBI Bank and Machhapuchhre Bank Ltd. for providing the annual reports, office reports and relevant data that has shaped my undertaking promptly in a great deal.

Mr. Rajendra Poudel, my husband, also deserves special thanks for his proper assistance throughout the completion of study. Lastly, I would like to express my sincere appreciation to all those who have directly and indirectly helped me to complete this study.

In spite of my utmost care and effort, I bear the full responsibility of errors and discrepancies that might have been sneaked in the research work.

Anita Dhungel
