TABLE OF CONTENTS

ACKNOWLEDGEMENT	iii
TABLE OF CONTENTS	iv
LIST OF TABLES	vii
LIST OF FIGURES	ix
LIST OF ACRONYMS	x
CHAPTER - ONE. INTRODUCTION	
1.1 Background of the study	1
1.2 Statement of the problems	3
1.3 Objectives of the Study	4
1.4 Rationale/significance of the study	5
1.5 Conceptual framework	6
1.6 Limitation of the study	7
CHAPTER - TWO. REVIEW OF LITERATURE	
2.1 Water and sanitation situation in Nepal	8
2.2 Research studies, surveys and articles on WASH	10
2.3 Water and sanitation problem in developing countries	17
CHAPTER - THREE. RESEARCH METHODOLOGY	
3.1 Rationale for the selection of research area	19
3.2 Research Design	19
3.3 The universe and sample	20

3.4 Nature of Source of Data	21
3.5 Data collection techniques	
3.5.1 Household survey	21
3.5.2 Interview	21
3.5.3 Observation	22
3.5.4 Focus group discussion	22
3.6 Data presentation and Analysis	23

CHAPTER - FOUR. PROFILE OF THE STUDY

4.1 Health and Personal Hygiene	25
4.1.1 Illness in family	25
4.1.2 Practice of treatment of disease	26
4.1.3 Knowledge about cause of disease	27
4.1.4 Diarrhoea management	28
4.1.5 Hand washing practice	30
4.2 Drinking Water Access and Quality	31
4.2.1 Source of drinking water	32
4.2.2 Daily water consumption	33
4.2.3 Perception of water quality	34
4.2.4 Practice of water purification	35
4.3 Sanitation Management	35
4.3.1 Latrine coverage	36
4.3.2 Benefit from latrine	37
4.3.3 Disposal of liquid waste	38
4.3.4 Flies in house	39

4.3.5 Clean of house surrounding	40
----------------------------------	----

CHAPTER - FIVE. EFFEC OF VARIABLES ON THW WATER AND SANITATION

5.1 Knowledge on WASH

5.1.1. Knowledge about disease	41
--------------------------------	----

5.1.2. Knowledge about transmission of diarrhoea	42
--	----

5.1.3. Knowledge about prevent of diarrhoea	44
---	----

5.1.4. Knowledge about treatment of diarrhoea	45
---	----

5.2 Attitude on WASH

5.2.1. Flies in house	46
-----------------------	----

5.2.2. Clean of house surroundings	47
------------------------------------	----

5.3 Practice on WASH

5.3.1. Source of Water	48
------------------------	----

5.3.2 Treatment of Drinking Water	49
-----------------------------------	----

5.3.3 Hand Washing Practice	50
-----------------------------	----

5.3.4 Latrines	50
----------------	----

CHAPTER 6. CONCLUSION AND RECOMMENDATION

6.1 Summary	51
-------------	----

6.2 Conclusion	54
----------------	----

6.3 Recommendations	54
---------------------	----

REFERENCE	57
-----------	----

APENDIX. QUESTIONNAIRE	60
