ACKNOWLEDGEMENT

This research study "A Study on Share Price Behavior in Nepalese Capital Market" has been carried out in partial fulfillment of the Master's Degree in Business Studies (MBS). This research would not have been completed by my sole effort many individuals and institutions have contributed in different ways to bring this thesis in this shape.

I would like to extend my sincere gratitude to Mr. Kishor Maharjan (Thesis Supervisor) for proper advice, guidance and supervision without which this study would not be completed. Their precious time and invaluable suggestions which they provided for me has undoubtedly helped me in completing this research work.

I owe great intellectual debt to college library and librarians as well as lectures of Shanker Dev Campus staff of MBS Department as well as known and unknown people who supported as well as inspired me to complete this thesis. My next thanks go to all the staffs of commercial Banks, Financial Institution who helped me in providing sufficient materials.

Lastly, I would like to thanks my friends and all of those who helped me directly and indirectly by sharing ideas, giving suggestions and encouraging me in writing this thesis and making this thesis possible.

Thanks
Sushil Pokharel
Researcher
