ACKNOWLEDGEMENTS

This research study entitled “Influence of Dividend Policy on Share Price of Commercial Banks” has been carried out on behalf of the fulfilment of the partial requirement of the Master of Business Study (MBS). On the course of compilation of this thesis study, I was able to gain and share a lot of sweet memorable moments as well as bitter experiences. However, I got acquainted with the various terminologies, literatures, and different personalities from different sectors as well.

Firstly, I am extremely indebted to my academic supervisor Prof. Dr. Manohar Krishana Shrestha for his generous encouragement throughout my entire research work and I shall ever remain indebted to him. This form of study is the result of his continuous help, suggestions, comments and guidance.

I would like to express my sincere thanks to the librarian of Security Board of Nepal for providing the necessary data as well as to the financial executives of various institutions, without which this research work was not possible to complete.

Similarly, I am thankful to all the teachers and staffs of Central Department of Management, T. U. as well as all the staffs of Central Library T.U.

I am also honourable to my family members. They have a great source of constant inspiration as well as financial support. I would like to thank all of my friends for their kind help and support especially to *Kshitij* for his regular support in completing this thesis work.
