ACKNOWLEDGEMENT

This thesis is the partial fulfillment of requirements for Master Degree of Business Studies (MBS) and I have gained a lot of knowledge while preparing it. This thesis is of course the result of mine self endeavor and hard working but this would not have been completed with our helpful hand of intellectuals.

I am highly grateful and indebted to my honorable supervisor **Achyut Raj Bhattarai**, Associate Professor and **Shree Bhadra Neupane**, Lecturer, Shanker Dev Campus for their guidance, encouragement and possible help in the smooth conduct of this study. Thanks are also due to Tribhuvan University for providing opportunity to conduct this research and the staff of NIC Bank Limited, Nabil Bank Limited and Bank of Kathmandu for providing necessary data and information without which the completion of this research could be impossible.

I would like to express my profound gratitude towards all the teachers of the management. I am thankful to staffs of department library and Management.

I would like to thank my family for their generous support. I would like to thank my friend Nibha Shrestha and Sunita Karki, who helped me collecting the data.

Last, but not the list I would like to express my gratitude to my friend Sabin Chhetri, who helped me from beginning to end while preparing this thesis.
