## ACKNOWLEDGEMENT

First of all, I am grateful to Mr. Achyut Raj Bhattarai and Laxman Raj Kandel, Thess Supervisor of Shanker Dev Campus, Putalisadak, for the patient guidance, constant encouragement and valuable supervision at every step of my research study. Without such guidance, this work may not complete as this shape. So, again, I would like to express gratitude to him for his meticulous care.

I am indebted to all the lectures and professors of Shanker Dev Campus, who helped me directly or indirectly to bringing out this thesis work. Moreover, I want to express thanks to all reputed authors whose writing has provided me the necessary guidance and invaluable materials.

I would also like to extend my heart-felt thanks to officers and staffs of Nepal Stock Exchange and Securities Board of Nepal for its support by providing relevant data.

Similarly, I would like to express debt of gratitude to my elder brother Bipin Upadhaya, my younger brother Bishal Upadhaya and my friend Mr. Arjun Bohara for their continuous inspiration and valuable support during the thesis work period.

Needless to say "error is human" and I can not be the exception, So I apologize for any errors and mistakes committed. I hope the possible errors would be covered by subsequent studies in future.

I am hopeful that this pain-staking task will serve as a stepping-stone for the concerned authorities, students and researcher.

Finally, I would like to offer special thank to Ms. Sanskriti Khanal for computer typing of this thesis.

Last but not least, I express my sincere gratitude to all staff of Central Library, Kirtipur, Rastra Bank Library, Baluwatar for their cooperation and encouragement throughout the thesis preparation period.
