ACKNOWLEDGEMENT

It is extremely gratifying to examine the study on problems and prospects of primary and secondary stock markets in Nepal. This research paper is designed to highlight the problems and prospects of the stock market in the present situation. During the course of my study, I found myself fortunate enough to receive a great deal of help and pursuance from various persons and institutions. I express my whole humbles gratitude to all of them.

I gratefully express my sense of deep indebtedness to our campus chief Dr. Bhagwan Prasad Yadav and respected teachers Rambabu Prasad Chaurasiya, Dr. Alok Dutta, Shambhu Prasad Chaurasiya (Head of Research Department) Hari Khetan Multiple Campus, Birgunj, Mr. Hiralal Yadav for his valuable suggestions and continuous co-operation throughout the period of this study.

I would like to express my cordial appreciation and sincere gratitude to my respected research advisors, Library members of Nepal Hari Khetan Multiple Campus, Birgunj and staffs of Security Board of Nepal for their proper and critical comments plus valuable suggestions.

Finally I would like to thank Mr. Ajay Thakur of **Photo Copy World**, Birgunj for attractive computer typing and binding.
