ACKNOWLEDGEMENT

As the partial fulfillment of the MBS degree, I have prepared this thesis. During the course, I worked with sincerity, honesty and diligence, as far as possible. However, beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

Firstly, I owe a debt of gratitude to my respected thesis supervisor **Asso. Prof. Rita Maskey** for his help and clear guidance right from the time of selection of the topic and throughout the course of the research. I am equally thankful to all my respected teachers at Shankar Dev Campus for their kind support and valuable suggestions.

I owe great intellectual debt to College Library and librarian, Shankar Dev Campus and Central Library of Tribhuvan University for providing several books and articles while preparing this thesis. I am thankful to all of my friend and seniors who assisted me in secondary data analysis and every steps of the work.

I would like to convey my sincere thanks to my family members who supported and encouraged me throughout the course of the study. My sincere thanks also go to all friends and well wishers who helped me directly and indirectly during this study.
