DECLARATION

I declare that the thesis entitled "**Comparative Financial Efficiency of NABIL and NIBL**" is entirely my own work and that where any material could be constructed as work of others, it is fully cited and referenced, and /or with appropriate acknowledgement given.

I, further, declare that this has not previously formed the basis of the award of any degree, diploma or other similar degrees.

ACKNOWLEDGEMENTS

The author is highly grateful to thesis supervisors, Lecturer Mr. TriRatnaManandhar for their constant support & able guidance throughout the study period, encouragement and valuable suggestions they have provided to make this study complete and fruitful. It would not be possible to complete the study without their support.

I am also grateful to the staff members of NABIL Bank, and an Investment bank for their co operation in providing necessary information. I would also like to thanks to staffs of library and administration of Shankar Dev Campus who helped me directly and indirectly in this thesis work.

Similarly I would like to thank to my brother Mr. Ranjan Kumar Barnawal and friend Mr. SantoshkumarBarnawal for their help to collect data and typing of this thesis and other inspiration and encouragement.

Lastly, the author is thankful to all collogues, well wishers and various organizations & institutions who have extended their generous support to complete this thesis work.

Thank you.
