ACKNOWLEDGEMENTS

This thesis entitled “**Impact of Remittance: A Case Study of Nibuwakharka VDC Syangja District**” has been prepared for the partial fulfillment of the requirements for the Degree of Masters of Arts in Economics.

I am pleased to take this opportunity to express my intense gratitude to my thesis supervisor, Professor Dr. Sohan Kumar Karna, Central Department of Economics for his valuable guidance, suggestion and encouragement, without which it was beyond imagination to bring this thesis in this form. Similarly, I am grateful to Professor Dr. Ram Prasad Gyanwaly, Head of the Central Department of the Economics for his valuable suggestion and guidance. I also feel privileged to express my gratitude to all the teacher of Central Department of Economics for their genial response to my quires.

I would like to express my deep gratitude to my father, mother, sister and friends specially my father Mr. Tulsiram Neupane for the economically support, the completion of this thesis would have been impossible without whole-hearted support and love.

Tikaram Neupane
