## **ACKNOWLEDGEMENT**

It is extremely gratifying to examine the study on problems and prospects of primary and secondary stock markets in Nepal. This research paper is designed to highlight the problems and prospects of the stock market in the present situation. During the course of my study, I found myself fortunate enough to receive a great deal of help and pursuance from various persons and institutions. I express my whole humbles gratitude to all of them.

I gratefully express my sense of deep indebtedness to respected teachers Rambabu Prasad Chaurasiya , and. Shambhu Prasad Chaurasiya Head of Research Departmen. Hari khetan multiple campus Birgunj Campus, Mr. Deepak Kumar Singh for their valuable suggestions and continuous co-operation throughout the period of this study.

I would like to express my cordial appreciation and sincere gratitude to my respected research advisors, Library members of Nepal Hari Khetan Multiple Campus Birgunj and staffs of Security Board of Nepal for their proper and critical comments plus valuable suggestions.
