ACKNOWLEDGEMENTS

This research paper has been prepared for partial fulfillment of the requirements for the Master's Degree of Business Studies.

I gratefully express my sense of deep indebtedness to my respected research advisor **Dr. Bihari Binod Pokharel** and **Mr. Dipesh Bhatta** for his valuable suggestions, keen guidance, and continuous kind cooperation. This research study would not have been completed in absence of his assistance and encouragement. My sincere thank goes to all the staffs and faculties of Nepal Commerce Campus for their manifold helps and providing good environment for this thesis.

I extend my deep gratitude to my parents, brother, sister and all family members not only their supports and perpetual kind cooperation but also for their waiting in my future achievement.

I am also indebted to my friends and classmates for their cooperation in my actual research time and special mention of thanks need to be provided to the staff members of Nepal Stock Exchange and Respective banks for providing me the secondary and primary data source.

The responsibility for any errors of facts or interpretation solely rests on me.

Shankar Prasad Timalsena
Masters of Business Studies
Nepal Commerce Campus,
