ACKNOWLEDGEMENTS

This study is mainly concern with the investment policy and its effectiveness of Nepal Industrial Development Corporation. Various research and studies have been made in the field of this study. Most of them concentrated in terms of role, function and profitability producer of Corporation. Seeing the lack of study, about the research works in investment policy, this study is mainly concentrated on the effectiveness and t on the investment policy of the Nepal Industrial Development Corporation.

I am extremely indebted to my supervisor Kishor Maharjan, Shanker Dev Campus, Tribhuvan University for his generous encouragement and undertaking the supervision of my entire research work. This from of the reports is the result of his continuous encouragement, many helpful suggestion and comments.

I am very much grateful to respected teachers of Shanker Dev Campus for providing invaluable suggestion, information and comments.

I want my indebtedness to staff of accounts and finance of Nepal Industrial Development Corporation who provided books and other study materials. Likewise I am thankful to librarian of Shanker Dev Campus, central library TU Nepal Rastra Bank library, who provide me related materials and very good suggestions.

Lastly my thanks goes to my family members for their help in many ways.

Chiranjivi Sharma
Researcher
