Acknowledgement

This research study “**Determination of Securities Price in Nepalese Capital Market**” has been carried out in partial fulfillment of Master’s Degree of Business Studies (MBS). During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

I have great pleasure to express my gratitude and sincerity to St. Xavier’s Campus, head of the research department Shanker Thapa, my thesis supervisor St. xavier’s Campus for this excellent and helpful guidance and supervision. I shall even remain indebted to them for this valuable direction, useful suggestion and comments during the course of preparing this thesis. Without their help, this work would not be come in this form.

I am grateful to Mr. Shanker Thapa for his valuable suggestion, encouragement and help on carrying out this study in time. Sincere appreciation is conveyed to those staffs of Standard Chartered Bank Ltd. Nabil Bank Ltd and Nepal Investment Bank Ltd. for their advise, support and making data available, journal during data collection period. I am thankful to all respondents for providing necessary information for the study.

Thank You

Ramesh Pomu
