ACKNOWLEDGEMENTS

It is my great pleasure to submit this thesis which is prepared under the guidance of Mr. Dipesh Kumar Ghimire, Lecturer at Central Department of Sociology Tribhuvan University. I heartily appreciate his invaluable supervision and useful guidance and no words can fully express my feeling of gratitude to him. I would like to express my gratitude to Prof. Dr. T. R. Pandey (Head of the Department), for allowing me to carry out this dissertation work.

My gratitude also goes to all the respondents, specially, Gopilal Rai (Social Worker) and Taranath Phuwyal (Chair person of reconstruction committee) who co-operated kindly and answered all my questions without any hesitation during the time of data collection. At this moment I cannot forget other teaching & non-teaching staffs, Central Department of Sociology, T.U. who inspired me by supporting in administrative and other dissertation related work.

I must appreciate the kind help of all my colleagues during the preparation of this thesis.

Date: March, 2019

Pranita Rai
