ACKNOWLEDGEMENTS

It's my great pleasure and satisfaction to present this research study in prescribed form for partial fulfillment of the requirement for the degree of Master of Business Studies under the faculty of management Tribhuvan University Nepal. First of all, I would like to acknowledge Tribhuvan University and its policy making unit for providing this opportunity.

I wish to express my profound gratitude to my thesis supervisor, Dr. Puspa Raj Sharma, Head of the Faculty of Management Research, Prithvi Narayan Campus Pokhara, for his valuable guidance for making this research work. His continual inspiration and support since beginning has resulted in the completion of this research work. I would like to express my sincere thanks to Mr. Amrit Lal Shrestha, Assistant Campus, Faculty of Management Prithi Narayan Campus who inspired me to prepare this thesis on time. I am grateful to all my teacher and friends who gave freely of their time, advice and continuous support.

I would like to express my sincere thanks to all the staffs of Western Regional Library, PNC Pokhara; Central Library , TU, Kritipur; Asian Development Bank, Kathmandu; World Bank, Kathmandu; RMDC, Kathmandu; Agricultural Development Bank; Nepal Rastra Bank, Kathmandu who led me access all the required material which made me enriched with information for completion of this thesis.

Special thanks to, Mr. Ram Prasad Sapkota, manager of GBB Syangja and all other staffs for their help and coordination to provide me required data. I am especially thankful to the respondents who filled up the questionnaires despite of their busy schedule.

I am highly indebted to my parents, my sister, and brother for their unconditional love, inspiration and encouragement in preparing this thesis. Finally, thanks to Mr. Bhakta Bahadur Pariyar, Kanchan Computer Sewa for taking care of typing and other computer works.

I am solely responsible for any typing errors or omissions in this thesis.

Date: December, 2008
