ACKNOWLEDGEMENT

This thesis has been presented for the partial fulfillment of the requirement of the Degrees of Masters of Business Studies (MBS). It would have been almost impossible to complete this without co-operation and help from different persons.

At first, I would like to express my sincere gratitude and deep respect to honorable Associate Prof. Dr.Prithbi Bikram Rai, Mechi Multiple Campus, for his valuable suggestions, guidance and encouragement in the completion of this study.

I would like to express thanks to Mr.Arun Bhattarai for his valuable suggestions and help during my research work. Similarly, I would like to thank all library and administrative staff of Mechi Multiple Campus for the necessary help in the preparation of this thesis. I must not forget to thank my friends and colleagues for the regular inspiration and support.

I would like to extend my heart-felt gratitude to my family members. They always inspired me to complete my higher study and provided all the necessary logistic support.
