ACKNOWLEDGEMENT

This thesis report has been prepared to fulfill the partial requirements for the degree of Masters of Business Studies (MBS) of Tribhuvan University. For this, I would like to acknowledge the effort of Office of the Dean, Faculty of Management, T.U., for offering such a great course in our syllables to enhance the quality of management education in the country.

For this work, I would like to express my heart-felt gratitude to my thesis supervisor **Joginder Goet** of Shanker Dev Campus for his grand support, encouragement and patience up to accomplishment of report.

Similarly, I would like to pour my sincere words of gratification to my cooperative friends for their kind encouragement during the thesis preparation phase. I also cannot forget the co-operation behavior of the staffs of Public Debt Department of NRB for their great support in providing the data.

I would like to share my deep down love and indebtedness to my family members for their immeasurable support, love and inspirations in every walk of my life.

Last, but not the least I can not forget the help and concerns of all my friends, colleagues & relatives for their help & keen concerns in my thesis accomplishment.

Dig Bahadur Kaphle
