## ACKNOWLEDGEMENT

I would like to present my gratitude to my dissertation supervisor Mr. PremChalaunefor his continuous support, guidance and encouragement during the fieldwork and dissertation writings. Similarly I would like to thank Prof. Dr. Tulsi Ram Pandey (Head of the Department of Sociology) is my source of inspiration as academic figures.I am grateful to all my honorable teachers of Department of Sociology,Tribhuvan University, Kirtipur,

I would like to thanks to all selected respondentsand the local people and respondents of the Kandel VDC who helped me by providing the essential time and information to complete this study. I sincerely thank to Miss KamanaShrestha who assisted me to data collection during field work. Specially, I would like to thanks my friend Mr.NiteshKhanal for his sincere efforts, ever willing help, suggestions and continuous, encouragement throughout my work. I would like to thanks to my parents, who always encouraged me, for higher education. I sincerely thank to all the people from my field area who have shared their pain and sorrow with me during my field work.I also wish to express my sincere gratitude to all the staff of Librariesand other Institutions for providing me the required information to complete the study.Without their sacrifice, hardships, rearing and caring I would not be in this stage. Thus, all these above mentioned people are strength of this study. Errors and mistakes are all mine.

Parmila Kumari Joshi
