ACKNOWLEDGEMENTS

I wish to express deep gratitude to Mr. Dhruva Subedi, Lecturer of Shanker Dev Campus for his cordial cooperation and valuable supervisions, without which this thesis would not have come into existence. His intellectual guidance was of immense inspiration for me.

I would like to thank staff of Nepal Rastra Bank and staff of Securities Board, Nepal for providing necessary data to conduct this thesis and would like to thanks to all the respondents, who restored questionnaire timely.

I would be failing my duty if I do not express my gratitude to my brother, sister and friends whose unending inspiration and immense love have carried me through to the present status.

Human beings are not perfect; and I am no exception, so I alone am responsible for any deficiencies that may have remained in this work.
