ACKNOWLEDGEMENT

This thesis entitle "*Lending Management of Nepalese Commercial Banks (With reference to Nepal Bank Ltd and NABIL Bank Ltd)*" has been prepared in partial fulfillment for the degree of Masters of Business Studies (MBS) under the supervision of Dhurba Subedi, Lecturer of Shanker Dev Campus. It is my privilege of getting helps and co-operation from different persons. It is not possible to enumerate the names of all of them. However, it will be matter of injustice if I forget the names of those personalities whose valuable suggestions and co-operation escorted to complete this thesis report.

First and foremost, I would like to offer special thanks to my friends for their proper suggestions. I would like to thank all the staff of the concerned banks for their full support in providing all the necessary data, which helped me in preparing this thesis report. I could not remain without thanking to my teachers and lecturers who all helped me during my study of MBS and during preparation of this thesis report.

I am thankful to the librarians of Central Library, TU Kritipur and Library of Shanker Dev Campus for providing me with related books and thesis and the entire teacher involved there who made me capable of writing this thesis. I alone am responsible for whatever weaknesses it may still contain.
