ACKNOWLEDGEMENT

I extend my sincere gratitude to supervisor professor **Dr. Bal Krishna Shrestha** for his valuable guidance, suggestions, timely supervision and cooperation in completing this thesis work. Without whose efforts, this thesis would not have come out in this manner.

This thesis has also been influenced by a number of standard and popular textbooks, journals, articles etc. As far as possible, they have been duly acknowledged at the appropriate places. I am thankful to all of them. I am very grateful to my brother Sunil Dhaubadel for his continuous encouragement, and cooperation even in the period of hard times. I am especially indebted to my friends Miss Manisha Khatiwada and Miss Sakuntala Basnet for their kind co-operation and support during the research period and brothers of University Computer Service for their fine computer works. I shall be remiss in my duty if I do not thank the courteous staff of NCC for their help in providing the necessary secondary data.

At last, guarantee of perfection of the research work cannot be given. Errors if any come under my role responsibility. I would very much appreciate and sincerely acknowledge suggestions for further improvement of the research work.
