## ACKNOWLEDGEMENT

This study was undertaken as the dissertation work for partial fulfillment of the Master's Degree of Business Studies (M.B.S.), Central Department of Management, Tribhuvan University, Kathmandu. I have selected the topic of "*Contribution of VAT from Nepal Telecom to National Revenue*" for my research work because of the considerable and significant role of tax in the overall economic development of the country. I have studied about contribution of VAT from Nepal Telecom to overall revenue generation in Nepal with its problems.

I wish to express my deep sense of gratitude to my thesis supervisor Prof. Dr. Kamal Deep Dhakal of Shanker Dev Campus, for his guidance to my study.

I wish to express my thanks to all the respondents who have provided me with various suggestions and responses to complete the research study likewise, all respondents are thankful for their valuable suggestions and responses to my questionnaire. I also thank to all the staffs of Nepal Telecom who help me for this study.

I would like to thank Mr. Prakash Dhakal for his computer typing and attractive layout of thesis.
