ACKNOWLEDGEMENT

This report has been prepared for requirement in partial fulfilment of the Master Degree in Business Studies (M.B.S.). I would like to express my gratitude to Tribhuvan University for providing me a great opportunity of preparing a field report in accordance to its syllabus. I highly appreciate and honour the effort of Shanker Dev Campus to develop required attitudes, abilities and practical skill in students, which constitute a foundation for their growth into competent and responsible business manager.

I am very much thankful to all the teacher of Shanker Dev Campus, without whose knowledge and suggestion in several ways of this report would not have been prepared. I would like to express my gratitude to all those who accommodated me with advice, supervision and care as well as encouragement to complete this study. First and foremost of all, I would like to express my sincere gratitude to my supervisor Mr. Prakash Singh Pradhan, Shanker Dev Campus, T.U, for his valuable suggestion, encouragement and insightful guidance. Without his help and support it would be hard to imagine this study in present form.

Similarly, I would like to express my sincere gratitude to all the library members for kind co-operation. I am deeply indebted to my respected teacher Mr. Kiran Pant of Shanker Dev Campus, My father Nav Raj Bhatta and My friend Dikshant Bhatta which I am unable to express my gratitude by words. Without their financial, moral and loving support I will be unable to this report forever. I would like to thank all the respondents who helps me to bring this study in this position.

Needless to say to error is human and it is exception to me, so I am alone responsible for any deficiencies and mistakes that may have remained in this work.

Thank you.
