ACKNOWLEDGEMENT

The author is highly grateful to thesis supervisors, Shashi Kanta Mainali of Shanker Dev Campus and Rabindra Bhattarai of Shanker Dev Campus for their constant support & able guidance throughout the study period, encouragement and valuable suggestions they have provided to make this study complete and fruitful. It would not be possible to complete the study without their support. I would also like to express my warm thanks to Associate Professor, Dr. Geeta Pradhan, of Shanker Dev Campus for her kind help to complete my thesis report.

The author is thankful to Shashi Kanta Mainali and Rabindra Bhattari, Lecturers of Shanker Dev Campus, for the able guidance, they have provided, to carry out this study. They have given a lot of inspirations for the study and provided valuable suggestions to complete the thesis.

The author is thankful to Mr. Basu Pandey, officer of Nepal Stock Exchange, for his generous support and guidance to complete this study smoothly. The author is also thankful to the Librarian Mr. Prem Kaji Shrestha, Securities Board of Nepal for his kind cooperation. The author is equally thankful to all the investors and brokers for providing valuable data along with their suggestions.

Lastly, the author is highly thankful to all family members, colleagues, well wishers and various organizations & institutions that have extended their generous support to complete this thesis work.

Thank you.

Nav Raj Joshi

Researcher
