ACKNOWLEDGEMENTS

I am extremely grateful to my respected supervisor Lec Achyut Gyawali for his continuous guidance and support for this research study. It is strongly believed that the conclusion would appear without the counselling, recommendation, proper guidance and good supervision of Mr. Gyawali So, I mainly express cordial gratitude toward him.

I would like to express my sincere gratitude to Mr. Rishi Raj Dawadi for his valuable ideas and suggestions that escorted the research to this level. Then, i would like to thank my friends for their valuable suggestions and cooperation.

During the literature review for the study, central library family supported the online facilities for my study. I also thank them for their cooperation.
