ACKNOWLEDGEMENTS

It is a great deal of satisfaction to complete this work. However, this work is not a sole attempt of mine alone. A large number of individuals have contributed to this research work. I am thankful to all of them for their help and encouragement in completing the work. My work has also been influenced by a number of standard and popular text books in the related field. As far as possible they have been fully acknowledged at the appropriate place. I express my gratitude to all of them who helped me in completing this work. I express my gratitude to lecturer Mr. Ram Prakash Upadhyay of post graduate campus, Biratnagar, for his valuable guidance and supervision to complete this thesis; it would have been in complete without his kind help. I would also like to thank prof.Dr. Khagindra Acharya head of research department of post graduate campus, Biratnagar. Similarly, I would like to express my gratitude to Ballav Prasad Poudel, campus chief of post graduate campus T.U., Biratnagar and I would like to thanks librarian staffs and Gopal Prasad Ghimire and others. I am grateful to my friend, Hira Niraula, Kishor Dahal, Bikram Shresth and Family member for their meaningful suggestion and encouragement while writing thesis. Finally, I would like to thanks Sah photocopy center, who helped me for typing and printing.
