## ACKNOWLEDGEMENT

I would like to express my gratitude to my Supervisor/advisor respected sir Asst. Prof. Bishnu Hari Koirala, for his support, patience, and encouragement throughout my studies. It is not often that one finds an advisor that always finds the time for listening to the little problems and roadblocks that unavoidably crop up in the course of performing research. His academic and editorial advice was essential to the completion of this project report and has taught me innumerable lessons and insights on the workings of report in general.

My special thanks also go to my colleagues, for providing many valuable comments that improved the presentation and contents of this report.

I wish to express my appreciation to all the lecturers of our department of Management. Likewise, all respondents are thankful for their suggestions and for responding my questionnaires. I am also very much indebted to the staff of T.U. Library, for doing me real favor by providing references books, journals and dissertation.

Last, but not the least, I would like to thank my husband and my family for their support and encouragement what made this report possible. My parents receive my deepest gratitude and love for their dedication and the many years of support during my graduate studies that provided the foundation for this work.

---

Shanti Baral
